## High School Supply List

Dear Students and Families,

Your family at Village View Christian Academy would like to take this opportunity to welcome you to the 2021-2022 school year. We are so excited to have the privilege of being part of your child's education. Your student's curriculum will be through an online software named Ignita. Students will complete their coursework online, which allows them to maintain progress during school closures and absences. Your parent portal has already been set up. Please check the email you provided during enrollment and follow the instructions to set up the portal.

Please see below for supplies your student will need for this coming school year:

- Earphones (They must have an aux input; wireless headphones are not permitted)
- Ink pens
- 1 package of mechanical pencils
- Correction tape
- 3 subject notebook
- 5 subject notebook
- 2 reams of copy paper
- 1 Package of 3x5 index cards
- 2 boxes of Kleenex tissues
- 2 containers of Lysol wipes
- 2 containers of hand sanitizer
- Scientific calculator (TI-30XA)
- 1 package of graph paper
- Compass and protractor
- Ream of white cardstock (Art)
- Graphite pencils 5b-10b (Art)

While preparing for this school year, your teachers have all developed a sincere excitement for the coming school year. We desire to see you achieve your goals and most importantly, soar on wings like eagles!
